

## Conference

**FIDIC and IBC Legal's 6th annual:**

**FIDIC Asia-Pacific Contract Users' Conference**

**Conference on 8 & 9 July 2014 and Workshops on 7 & 19 July 2014**

**The Four Seasons Hotel, Shenzhen, China**

**Special offer for SCLHK members – 20% saving on registration fees**

*The only truly mandatory event for those looking to make the most efficient use of the FIDIC suite of contracts – tailored for the Asia-Pacific region!*

**Early bird savings of up to US \$500 apply until 6<sup>th</sup> June** (this is in addition to your 20% saving)

Join us for comprehensive best practice advice on **selecting and using the range of FIDIC contracts**, understanding the implications of the **latest contract amendments**, ensuring your **projects run on time and within budget, resolving disputes** and much more...

Get this information directly from **world-class FIDIC experts** (including **many of those who actually draft and update the contracts!**) - combined with the expertise of **regional lawyers and engineers**.

2014 topics include:

- FIDIC main contracts – recent updates and new contracts
- EPC/Turnkey contract
- The Construction Contract
- Employer's requirements
- DBO Contract
- Claims under FIDIC contracts
- Contract administration issues
- Risk allocation
- Particular conditions and common adjustments
- Case studies – learn from the experiences of other users in the region
- Pitfalls to avoid
- MDB Harmonised Contract
- The Short Form of Contract
- Cost management tools
- The role of the Engineer
- Engineer's duties and liabilities
- Dispute boards
- Arbitration & Alternative Dispute Resolution
